OBITUARY

Aaron Bailey Worley

June 23, 1986 – March 26, 2026

Aaron Bailey Worley was born on June 23, 1986, in Fremont, California, spending his early childhood there before his family settled in Sparks, Nevada. It was in Sparks that Aaron grew into the man so many would come to love — graduating from Sparks High School and answering the call to serve his country through the US Marines ROTC. He enlisted with pride, and although a family emergency brought him home before completing his service, his sense of duty and honor never faded.

Aaron built a career as a truck driver, leasing to Tri State Motor Transit as a military contractor. He was deeply valued by his close friends Joyce Throneberry and Kyle and Marni Smith, who knew the dedication and heart he brought to every mile.

He was a proud member of BACA — Bikers Against Child Abuse — riding with a family of brothers and sisters who understood his spirit. Snap, Sassy, Groot, Gray Bush, and many others in his biker family will carry his memory with them on every road ahead.

As President of his online gaming club, Legion, Aaron led with the same warmth and loyalty he showed in every part of his life. His friends Haggie, Gray Bush, Mayhem, and countless others knew him as the kind of man who made every space feel like home.

Aaron was compassionate, caring, and full of love for everyone fortunate enough to know him. He had a rare gift — he made people feel seen, valued, and never alone.

He is preceded in death by his father, Benjamin Allen Worley. He is survived by his beloved daughter, Mia Meza; his girlfriend, Melissa Heard; his mother, Mary Worley; Mom Susan Worley and her husband Miguel Melero; sisters Ashley Adams, Isabella Melero, and Ashley Todd; brothers Parker Johnson, Paul Worley Devine, William De Long Jr., Keith Delemarter, Zach Cochero, Nate Cogburn, Shawn Hall, Morgan Price and Jimmy Pahor; and his cherished friends Marni and Kyle Smith and Joyce Throneberry.

Our lives will never be the same without him. Aaron, you were loved by all — and you always will be.
