“ It was a pleasure to meet and mingle with Annie. I met her as a result of the work of her husband, Billy, leader of the Sick and Shut In Ministry of the church and as a member of Young at Heart [YAH]. She presented as a meek and mild member of the YAH organization and as a loyal partner to her longtime spouse, Billy. She was meek, focused and deliberate in what she wanted, May she rest in peace. And Billy my prayer is for you to be at peace knowing that Annie is resting in peace and is preparing a place for you and your family members to come. Yours in Christ, Sister Valerie.

“ To The Simms

*Annie will always be remembered and deeply missed.*

*I met Annie and Billy shortly after I joined Remnant Ministries in 2017. One Sunday I decided to change seats and just happened to sit in the row behind Annie and Billy. She quickly turned, asked me if I was new, introduced herself, Billy, and several other people and welcomed me to the church. From that day on, if Annie saw me sitting somewhere else, she would insist that I move next to her and Billy.*

*I noticed Annie's remarkable ability to connect with others. I would see ladies of all ages come to greet her with love and hugs that she graciously gave in return, and I knew she was someone very special.*

*Perhaps we were destined to meet and become friends, for we soon discovered so much in common, love of reading, travel, a favorite color yellow, and fashion. We were both born in June on the 10th and 12th day. We both like celebrating life's simple pleasures, family, friends, food, cards and flowers. I found her to be joyful, always smiling, generous and giving.*

*For me, Annie was a very dear friend, who was truly a blessing in my life. She was gifted with a unique ability to listen, always positive and uplifting. I never heard Annie complain about anything. When both my sister and I were ill, housebound, and could not come to church. Annie and Billy visited us at home, brought food, flowers, and served communion. I had never been seriously ill before and did not handle it well. Their visits included fun, lively conversations and bible study focused on healing. Annie always encouraged us with scripture and reminded me to trust God in every season.*

*When I was well again, Annie said "I have an assignment for you, but I will let Billy tell you what it is". They asked me to be one of the Young at Heart Ministry leaders and wanted me to make cards for the seniors celebrating birthdays. I'm happy to say it is a pleasant,*

*rewarding, inspirational experience.*

*Though we miss Annie dearly, I find comfort knowing that her work here on earth is done. She is now dwelling in the house of the Lord, where her soul is at rest.*
