### Smiles in Sorrow

I saw you smile, I felt befriended,  
It was a beautiful smile, it never ended.  
I shared it with many friends that day.  
They passed it along, in the very same way.  
It will come back to you,  
on some thoughtful face.  
When you need it most,  
at the right time and place.  
A friendly smile, a casual touch.  
These are the things that mean so much.  
To know you are with us in our time of sorrow,  
sharing our prayers, today and tomorrow.  
God gives us comfort  
in the form of good friends.  
May His peace be with you. His love never ends.
