I Am Always With You
As you hold me close in memory, even though we are apart, my spirit will live on in the haven of your heart. I am with you always. When you lean on trusted friends and their caring hugs enfold you, within their loving arms I will also hold you. I am with you always. In nature's consolations—a sunrise veiled in mist, with butterflies alighting on each flower to be kissed. I am with you always. And beyond that far horizon when we'll finally be together, where love will be eternal and life will last forever. I am with you always.
