“ Family of Camille, I'm praying for you during your time of sorrow and bereavement. Camille and I became friends in the 8th grade and went to Jim Bridger and Rancho HS. together. She was the sweetest and kindest individual I knew. We've worked shared clients at the court also. She will be missed. Camille loved God and is now resting in His Peace. May God Bless You All Regina Rhodes

“ To the family of Camille I send my deepest sympathy and prayers. Camille and I attended LVHS (CLASSES 72 AND SHE CLASS 73). She was always sharply dressed and hair perfectly styled, just an overall beautiful and classy lady. Take your rest Camille, you will be truly missed. Shelly Thompson-White
