“ *Chryshana was spicy and I loved every bit of it. Chryshana was dedicated, passionate and one of a kind. Our team will never be the same. Forever in our hearts and forever family.*

“ *Chryshana was such a delight to work with. I was blessed to work alongside her as part of the FACES team. Her bright smile, determination, and fantastic sense of humor will be greatly missed. She always spoke about her children and family with so much love and pride. My thoughts and prayers are with all of her beloved family members at this time. You will be dearly missed, beautiful lady!*

“ *Chryshana made even the trying days fun! I miss her daily texts, nail design and t.v. show recommendations, and most of all her infectious laugh. Her love for her own family as well as the families she served was evident in her work and actions. She will forever be my friend and in my heart. Love you, lady!*

“ Chryshana had the best spunky spirit! She rarely let a day pass without calling to share a funny story, or more often to find resources to support a family in need. She was dedicated, caring, and feisty, never letting "no" stop her from serving. I will miss our phone calls and her beautiful smile even more. Until we meet again, girl

“ Chryshana was the first friend I made here in Vegas. We both lived at Loma Vista apartments and we was close from then on. We worked together at Matt Kelly and I was also apart of that weight loss challenge with Kim McMorris. She always had a smile that shined bright which would make me smile. Even though she had left Matt Kelly we stayed in touch. I would tease her about her two tone hair all the time. I would say you are getting up in age and need to make a choice of one color. She'll smile and say "you right". I miss my friend but I know that she's at peace with her mother and father. Love you girl. Until we meet again. LaTrachia Thomas

“ *Chryshana was my friend. She always kept a smile on her face no matter what she was going through. Even when we were in the weight loss challenge and she didn't lose any weight she still kept her smile. She was that friend who made us gather together and pray that we would be the winners in spite of her eating habits. Lol. I am truly going to miss her.* ”
