Angel

Tear drops, slow and steady, The pain so real and true,  
God took another angel, And that angel, dear, was you.  
Angel wings, upon the clouds, Your body softly sleeps,  
Hush now little angel, No more tears you have to weep.  
Little prayers are sent to you, The short life you led;  
Your family will never forget you, So rest your little head.  
I know God will look after you, Now you are truly alive,  
Your spirit soars beyond the moon, Your legacy will survive.  
You're beautiful, you're endless, Now stretch your wings and fly,  
You're loved by so many, It will never be goodbye.  
Close your pretty eyes, No more tears, just go and rest,  
Let your soul lie peacefully, We know you did your best.
