To Those I Love

When I am gone, release me, let me go. You mustn't tie yourself to me with tears. Just be happy that we had so many years. I gave you my love, you can only guess, how much you gave to me in happiness. I thank you for the love you each have shown, but now it's time I traveled alone. So grieve a while for me, if grieve you must, then let your grief be comforted by trust. It's only for a while that we must part, so bless the memories within your heart. I won't be far away, for life goes on, so if you need me, call, and I will come. Though you can't see, or touch, I'll be near. And if you listen with your heart, you'll hear all of my love around you, soft and clear. And then, when you must come this way alone, I'll greet you with a smile, and say "Welcome Home".

“ You gave me two little brothers that I didn't even know I wanted. You have been a part of my life since William and Damion meet at Lois Craig. There is NOT one time I can remember when your smile didn't light up the room. A phenomenal queen that will be truly missed. Enjoy your much deserved rest. Big Will, Marri, and GOAT I love you and if you need me you know what to do.

“ May the Most High God bless the memory of Aunt Debbie. She was an awesome storyteller; always reminiscing about fond memories of her life. She spoke with passion and conviction. She gave God the glory for her blessings. I never once her complain. I will miss as well as cherish her voice, her smile, her laughter and most importantly her love. May her memory be a blessing.
