Miss Me

When I come to the end of the road
and the sun has set for me,
I want no rites in a gloom-filled room.
Why cry for a soul set free?
Miss me a little, but not too long,
and not with your head bowed low.
Remember the love that we once shared,
I'd like to leave an echo whispering
Miss me but let me go.
For this is a journey we all must take,
and each must go alone.
It's all part of the Master plan,
A step on the road to home.
When you are lonely and sick of heart,
Go to the friends we know
And bury your sorrows in doing good deeds.
Miss me, but let me go.

“ I worked with Doris for many years at UPS. She made so many peoples job easier and she was respected and liked by everyone. In addition, Doris was one of the sweetest persons I ever knew. RIP D. Will miss joking around.

“ Tanisha and KT, I am thinking of you both as well as your entire family during this difficult time. I was devastated when I heard the news about Doris.

I am so sorry I cannot physically be there to help support you guys- but please know that I am sending my love all the way from California. I hope you understand I wouldn't miss her services if circumstances weren't out of my hands.

I will always remember the trips Doris included me on with you guys back in the day like going to Wisconsin Dells along with other random summer fun festivals, etc. when we were younger.

Doris was a special person. May God rest her soul.

“ *Doris, was another mother to me. I will forever be grateful for our weekend experiences, from summer rides down lake shore drive, summer festivals, vacations, sleepovers, and many concerts. She always reminded me to relax and have fun and go easy on my mom. You will be missed greatly and will forever remain in our hearts!💕💕 Tanisha and KT, I love you dearly. The pain is real, thank you for sharing your blessing of a Mom with us all.*

“ *Doris was one of the sweetest, funniest people that I've had had the pleasure to know. We worked together @UPS off and on for 20+ years. She was a delight to work with. She was a friend even after we both retired. She remembered me every holiday and birthday. She called me Thanksgiving Day, but I had my phone off and missed her call. She had also texted and I sent a text back. I received the awful news 2 days later from a dear mutual friend. I'm profoundly saddened by her passing. A great woman. I look forward to laughing with her again one day. To Doris's family I offer my deepest condolences and prayers for you all and dear Doris. She was loved and will be missed.*

Second story about Doris...I will share with anyone who asks at the service or funeral...wink, wink...just look for the old white guy with the buzz-cut beard and hair...

The Doris I remember from many years of working with her at UPS. I think one of the things that always impressed me was the fact that while Doris was a dispatcher and I a driver, and I was just supposed to do what she told me to do, she NEVER told me to do anything. She ALWAYS ASKED if I would do whatever. My reply always was: "Doris, what do you need me to do." I remember her warm smile and sense of humor as well.
