“ *I will always hold Dorothy close in my heart, she welcomed all 3 of my children as her grandchildren as only one Johnnie Terrell was her biological grandchild. She always treated us as family and she will be missed dearly. Thank you Mrs. and Mr. Brown for your kind hospitality and your loving support that you gave without doubt. Dorothy told me a story that will always stick in my head with a smile, she told me about Terrell going to daycare and that Terrell loved his teacher which was a white lady, and he would just smile from ear to ear and she said that's how she knew Terrell would date white women and that made us both laugh. She was kind and very funny. You will be missed grandma Dorothy by all of us. Nicholas, Chloe, Johnnie and Terri and we will always love our Daddy Terrell and be here for him. Thank you*

“ I consider myself lucky to have met such a Beautiful woman as Mrs Dorothy Brown. I will always enjoy the memories I have of her as we got to know each other over the years. She told me I was a part of her family and I'll always cherish those words. She was Confident, Classy, Sassy and Kind...she will surely be missed. I will be praying for her beautiful children as well as all other family members to hold on to their cherished time and memories of her. May embraces and words of encouragement bring you the strength and support needed at this time. Love, Samira
