Footprints

One night I had a dream. I was walking along the beach with the Lord, and across the skies flashed scenes of my life. In each scene I noticed two sets of footprints in the sand. One was mine, and one was the Lord's.

When the last scene of my life appeared before me, I looked back at the footprints in the sand, and to my surprise, I noticed that many times along the path of my life there was only one set of footprints. And I noticed that it was at the lowest and saddest times in my life.

I asked the Lord about it. "Lord, you said that once I decided to follow you, you would walk with me all the way. But I noticed that during the most troublesome times in my life there is only one set of footprints. I don't understand why you left my side when I

needed you most."

The Lord replied, "My precious child,
I love you and would never leave you.
During your times of trial and suffering,
where you see only one set of footprints,
I was carrying you."
