Be at Peace

Do not look forward in fear to the changes in life; rather look to them with full hope that as they arise. God, whose very own you are, will lead you safely through all things; and when you cannot stand it, God will carry you in His arms. Do not fear what may happen tomorrow, the same everlasting Father who cares for you today will take care of you then and every day. He will either shield you from suffering, or will give you unfailing strength to bear it. Be at peace and put aside all anxious thoughts and imaginations.

“ My husband and I were saddened to hear about Ike's passing. We will never forget the acts of compassion and generosity he showed when my husband was hospitalized and when we lost one of our pets. I will always remember Ike serenading us with his guitar on our 30th wedding anniversary. Ike was a kind and gentle soul who emanated the best in human kindness. You will be missed, but never forgotten by our family. To the Hurt family, we are deeply sorry for your loss and please accept our heartfelt condolences. May you find comfort in the cherished moments you spent together. Mark & Myra Medina

“ You are as brave as you were kind. From the day I met you I knew ours would be a friendship that would endure. I could talk to you about anything knowing there would be no judgment just love and support. You are so special to me and special to my family. My mother and father adored you and are devastated at the news of your passing. I can't help but wonder if I was there enough for you? Did I show you as much love and compassion as you showed me? Until we meet again papi you are now one of our guardian angels. Fly and be free my dear friend. I love you.
