“ I loved Jackie very much, she was a kind and very honest person. I groomed her little chihuahua, Baby. She worried so about her little girl!When I would visit her, she mostly talked about her family. She expressed how much she loved all of them. She would tell stories about the kids growing up, and always said "those were the good old days ".

“ I have only good memories of Jackie.Mostly we talked about her children and how she wanted only the best for them. I groomed her dog, Baby. She loved her so much. I know that she always had a smile on her face and always made me smile as well! I miss you already Jackie, but I know your watching over all of us now and I feel comfort knowing that.
