“ My little sister Jennifer Green, I miss you so much, I missed you anytime I didn't hear your voice, and now not to be able to hear you at all... This hurts deeply, so much so that I can't put it into words, this is so unreal for me. I never imagined a life without you here. 💔 You know all my secrets, you laughed at all my corny jokes, you made me feel like a super star, and I hope I was able to make you feel the same. But I will cherish all the moments we shared together. Life will not be the same with you gone! However, I keep the laughter going strong.

Michele Jennings - December 15, 2023 at 10:10 PM

“ Jen always had a bright smile and encouraging word. We shared so many laughs and adventures. You took all my greatest secrets with you. Your heart and friendship are treasures. There aren't words enough or deep enough to convey all my fondness, sadness, and joy at your current peace. I will see you again in heaven.
