Life is Like a Vapor

Life is like a vapor  
on the side where you remain  
Forever is where time goes on  
Filled with joyful, timeless days  
Please don't let the tears that glisten  
Stay upon your face too long  
Instead remember the time we had  
And make tears give way to song  
Goodbye is not the message  
I would want to leave for you  
Rather, what I want to say is,  
I will see you soon.  
I am quite alive, you see  
And waiting here for you  
So, please live your life with joy and love  
Until you are timeless too  
We will laugh again together  
When life will have no end  
No, this is not goodbye at all  
It is, I will see you then
