

## Keyshawn Tyrell Williams

March 12, 2000 - August 5, 2020

Keyshawn Tyrell Williams has moved on to the gates of heaven. Survived by two loving parents, father Fred Williams and mother

Cy Maneeiam-Williams, as well as five siblings, brothers Mario, Antwone, Cornell "Boo" Williams, Lashaun Sims and sister Crystal Maneeiaml.

Also survived by grandmothers Susie Williams and Pon Dahl as well many loving nieces, nephews, cousins and other family members.

Keyshawn was a gentle soul with a heart of gold and lawyers wore it on his sleeve. Filled timeless aspirations and potential he loved

seeing those around him happy and did whatever he could to take care of others. Keyshawn had an amazing energy about him that

always left us with memories and ever lasting impression.

Keyshawn was always the light in the dark bringing joy and laughter to those who were in need. He enjoyed many hobbies, but those

who know him, also know he was the biggest car enthusiast one could ever meet, spending countless hours with his friends and family

fixing cars. With sadness in our hearts we ask everyone to come together and stand strong for one another during this difficult moment

as we celebrate and remember our son, brother, uncle and friend. Keyshawn Tyrell Williams
