I met you for the first time when my Father n Law "James Pratt" came down in July. You came with Tawana to Uncle Dennis house. You were very chill, and I enjoyed the little time I talked with you. I have no doubts you were an amazing Mother, Sister, Cousin, Niece & friend. First impressions are the best impressions. You know a cool one when you first meet them. RIP ❤️🙏

“ At the age of 7 I met Toya at the Boys and Girls Club in Los Angeles California on Vermont and 51st. Neither one of us knew we would be in each other lives from then on. Toya and I celebrated our birthdays together. Mine is 11/23 and hers 11/26. Toya was not only my friend, but was my sister. The only thing that's holding me together, is knowing how much she missed her mom and now she's back in her arms. I'm gonna miss you sooo sooo much sister.
