To my loving family I am so sorry I could not be there, but I sent my deepest condolence to you. All Aunt Lucy would be greatly miss. I miss hearing her voice Daily. She used to call me every day to check on me when those calls stopped. I started to worrying and now I can't stop my tears to stop flowing but now I know she's in a better place and now she is watching over us, R.I.H. Aunt Lucy

“ A Celebration Of LUCY’S Life

TO; JJ, JEN AND GRANDCHILDREN

Remember me with love and joy,

Let Gratitude fill your heart.

Thankful for the time we had.

Gone...not yet apart.

If we measure life in moments,

Not in months or years.

I lived a hundred lifetimes,

Loved by all who holds me dear.

I hope you will find your smile.

And generously speak my name.

Share stories and my heart,

Your love for life unchanged.

Celebrate the life I lived.

I will be watching from above.

I am always with you.

Sending you my light and love.
