

## Marc Robin Lestarge II

August 2, 1984 - May 8, 2024

Marc Robin Lestarge II was born August 2, 1984. He was diagnosed with brain and lung cancer, suffered for two months before succumbing to cancer. He had three brain surgeries and fought every day with every breath in his lungs to overcome. Unfortunately, on May 8, 2024 the cancer took over. Marc was a very hard-working man who loved his family and would do anything for anyone. He worked as a mechanic for over 20 years, if he ever saw someone on the side of the road he would pull over and try to help them. He is survived by his parents; Tamera and Marc. His children; Evan and Fallon. His sisters; Billie and Bobbie. His Sister-In-Law; Tiffany. His Uncles; Jay, Scott, and Kris. Aunts; Kelly and Barbara. Cousins; Brandie, Charli, Jessica, and Mikey. Nieces and Nephews; Savannah, Mathew, Jacob, Jordan, and Ariel. And the entire LeStarge Family and countless friends. Marc will be truly missed. He loved Batman, we will always look to the sky for the Bat-Signal.

“ Love you brother!!! I'll miss our late night/ early morning scorpion 🦏 hunting!! Our talks about this crazy world. I'll miss ur random videos that you sent. We were definitely out to know that something bigger is meant for us!

We will continue to keep your spirt alive! I'm sure my sis showed you around while welcoming you home. Forever in our hearts!! Always in our minds!!
