Hello

I just wanted to reach out to offer our deepest condolences to the Siete Family. We were extremely saddened to hear about her passing. She was going to be my patient that night. Please take comfort knowing that she is no longer suffering. It was an absolute honor being part of the team that cared for her.

From what I see she was loved by many and I hope you find peace and comfort soon.

She has a wonderful family and a loving husband who was there every single day by her side.

Again My Deepest Condolences
