

## Miriah Danae' Wilson

November 14, 1994 - March 22, 2020

Miriah Danae' Wilson was born in Las Vegas, Nevada on November 14, 1994 to Nakia Glasper and Daniel Wilson. She departed this life on March 22, 2020. She leaves to mourn her mother Nakia Glasper and sister Alexis Glasper, grandparents Frank and Shirley Glasper, aunts Sherbella Glasper and Franda Glasper. Her Stepfather Jeremy Dara, and a host of other aunt, uncles, cousins and friends. She was preceded in death by her father Daniel Wilson and her great-grand parents, Jeanie & Ed Edmond and James Glasper & Arabella House.

Miriah was a unique individual. Our family is known for creating names. Miriah usually spelled "Mariah", was changed because we knew she was different. Danae' is from her dad's name Daniel who preceded her in death.

Miriah was a very loving person. She greeted you with a smile and a hug. She would see us and hug us when she entered the room and then when it came time to leave, she left with a hug. She cared about everyone she met and would do everything she could to make you feel better. She would share or give her last dime even if she had to get it from someone else.

She loved helping children and Scarlet, was very special to her. Scarlet was Miriah's Goddaughter. She would often stay at Miriah's house during the week, so the two became very attached. Miriah and Scarlet would go everywhere together.

She was a creative and empathetic person. She liked to draw and write. She would draw cartoon characters and write poems. Miriah wrote very touching

and emotional notes to show her feelings and emotions. She could sense other people's emotions which sometimes cause her light to dim or brightly shine. This also enabled her to spot people in a dark place and help bring them to the light. Her creative talent extending into the kitchen, especially baking.

She would make cannoli's and decorative cakes.

We would like to give our sincere appreciation to our many friends, and relatives for their kind thoughts, words and prayers during the loss of our beloved Miriah. Your prayers and words of consolation have sustained us through the passing of our loved one. We thank you.

“ Miss Miriah, You will be missed so very much by your family. We often wonder why bad things happen to good people. We must remember that our thoughts and our ways are not God's thoughts and God's ways. What we may think of as bad are not necessarily so in His eyes. God likes "the best", just as we do. His word says "I will lift up mine eyes unto the hills, from whence cometh my help. My help cometh from the Lord, which made heaven and earth." To the family we must remember also, that "God is our refuge and strength, a very present help in trouble." If we look unto Him, He will see us through. Be Blessed.

“ Miriah was many things to many people. To me she was "Ria", my always sweet, sensitive granddaughter who called or came by to see how I was doing or if I needed her to run an errand for me, take me to the doctor or just hangout. She would say "I Love You" even if I was not happy with decisions she was making. My heart is broken and my soul will never be the same due to her sudden passing. I love her and will miss her for the rest of my life. Until I see you again, Rest and be Happy. Love Grand-ma

“ In high school the day before Miriahs birthday I had lost someone very close me and the day after was Miriahs birthday party. She knew what was going on with me and when I arrived at her house she gave me one of her famous hugs. She stayed by my side the night until she knew I was okay and I was okay later on in the night, I was socializing and laughing. Needless to say she helped me the night and many days after that. She was one of my best friends in high school and it sucks that we lost touch. But I will never forget her kindness and her spirit. Fly high Miriah and rest easy my friend.
