

Nancy Jean Gerchman Evanick

May 7, 1960 - May 31, 2025

On May 31, 2025 Nancy Jean Gerchman Evanick flew away to Heaven with the angels. She remains one of the most divine, loving, and faith-filled souls to ever walk this Earth. She radiated warmth, humor, and a light that brightened every room.

Her smile and hugs could heal every pain. She believed in miracles with her whole heart and in doing so, she became one. Nancy lived to make others feel happy, hopeful, and loved. Her faith was unshakable, her laughter contagious, and her love endless.

Though her physical presence is deeply missed, her spirit continues to shine through every life she touched. Those who knew her will forever carry her joy, her strength, and her unwavering belief that love and faith can heal anything.

Nancy's family celebrates her today and always in deep gratitude for the light she shared so freely. Her legacy lives in every smile, every act of kindness, and every moment of faith that reminds us: miracles follow miracles and wonders never cease.

She now reunites in Heaven with her divine beloved husband, Martin Evanick. Her brother Charles (Charlie) Gerchman II, and her loving parents Charles and Lois Gerchman, who no doubt welcomed her home with loving arms.
