To Those Whom I Love & Those Who Love Me

When I am gone, release me, let me go.  
I have so many things to see and do,  
You mustn't tie yourself to me with too many tears,  
But be thankful we had so many good years.  
I gave you my love, and you can only guess  
How much you've given me in happiness.  
I thank you for the love that you have shown,  
But now it is time I travelled on alone.  
So grieve for me a while, if grieve you must,  
Then let your grief be comforted by trust.  
It is only for a while that we must part,  
So treasure the memories within your heart.  
I won't be far away for life goes on.  
And if you need me, call and I will come.  
Though you can't see or touch me, I will be near.  
And if you listen with your heart, you'll hear,  
All my love around you soft and clear.  
And then, when you come this way alone,  
I'll greet you with a smile and a 'Welcome Home'.

“ *RIP my good friend Rocco Locorriere, my heart broke when I got the news today . I was just thinking about you and going to reach out this weekend. I met Rocco at the hospital as I was his physical therapist . He always had a smile on his face no matter the discomfort and was such a kind man and extremely funny . Even though almost 40 years separate us , I felt like I grew up with Rocco and we immediately became good friends . He had such great stories , and was also a great listener with plenty of wisdom . I only wish we had time for more stories and laughs . I love you Rock , and thank you so much for all your advice and friendship . Until we meet again , RIP*

“ RIP Rocky Loco

*Some people have a way of making you feel seen—even from afar. Rocky Loco was one of those rare souls. He loved following along on all my adventures—whether it was beach days, muddy off-road rides, peaceful nature moments, or the chaos of work life. He took the time to watch every picture, every video, and always made sure I knew he was right there with me in spirit.*

*If those moments brought him even a little joy, then I'm grateful beyond words. That's the kind of connection that doesn't need miles or meetings to be real. I always made sure to post something for him.*

*I just wish we had met in person.*

*Rest easy, Rocky Loco. You will be missed, remembered, and always appreciated.*

“ *My dad was my hero, my mentor, my everything. He was the best. He tried to teach me right from wrong even when I was a little rebellious. I was definitely a daddy's girl and he gave me whatever I wanted. He made me Veruca(from Willy Wonka)by spoiling me so much. I find comfort in knowing he is with my mom know in heaven and can spend eternity together. I will love you always,. Until we meet again, your daughter Toni*
