“ *I send my love and condolences to the family. My memory of Granny Faye (as we call her) was when I had my first child, we went to live with her and she treated me as her daughter and not as an in-law. I will always remember the advice that she gave me, that I went against. Rodie Faye will truly be missed.*

“Granny... I waited fifteen years just to see your face, And when you finally came, you filled up that space.
You held your grandbabies, your great-grands too, The joy in your eyes was a dream come true
On August 20th, my baby turned three, 3 days later, God came for thee.
I wanted more time, just one more embrace,
Now I search for your love in a quiet place.
You raised daughters and sons with a heart so wide, A dozen grandchildren, great-grands multiplied.
Your love stretched further than words can show,
But heaven decided it was time to go.
I'm broken, I'm hurting, I'm missing you so,
It wasn't enough time
— I just want you to know.
This family feels lost, it's so hard to be strong,
But your love will guide us, even when things go wrong. Granny, I love you, forever I'll cry, But I'll keep your spirit close until the day I come home
Rest in peace, my angel, your journey is done,
But in my heart, you'll always be the one. 💙💙💙💙👤

That was beautiful. I'm so happy that your granny was able to spend some time with you and your sisters along with 17 of her grandkids. She is now in a much better place. We love you Granny Faye 💕💕
