“ Dear June,

*I miss you more than I can really put into words. Some days I'm okay, laughing and smiling, and then out of nowhere it hits me that you're not here, and everything feels heavy again. I will miss you coming down to visit and getting Girl Scout cookies, and making me laugh—your jokes will be missed more than you know. I wish I could hear your voice, see your face, or just sit with you one more time. There's so much I'd tell you—about my life, how I'm trying, how I still carry you with me in everything I do. I hope you're at peace, watching over me somehow. I just want you to know that you're still loved, still remembered, and you'll always have a place in my heart no matter how much time passes.-Lakeithalyn*
