### I Am Free

Don't grieve for me, for now I'm free to follow the path God made for me. I took His hand when I heard Him call. I turned my back and left it all. I could not stay another day, to love, to laugh, to work or play. Tasks left undone must stay that way, for I found peace at last, that day. If my parting has left a void, then fill it with remembering joy. A friendship shared, a laugh, a kiss, oh yes, these things I too will miss. Be not burdened with hearts of sorrow. My wish for you is the hope of tomorrow. My life's been full, I've savored much, good friends, good times, a loved one's touch.

Perhaps my time seemed much too brief, don't lengthen it now with undue grief. Lift up your heart and share with me, God wants me now --- He's set me free.

“ *Oh my sweet sissy! I was sending you birthday wishes when I came upon your obituary. I love you so much and am heartbroken to hear you are in Christ's loving arms. You were there for me at the most difficult time of my life and helped me find joy in just being a good friend. I pray your daughters, Prince and his family are safe and happy as I send them my sincerest sympathy.*
